Set up was very organized (on Friday night) and the people who were directing traffic in front of the school were great!! Everything ran very smoothly. The amount of students available to help was also great. Students walking around to take breakfast orders was nice. I've never experienced that at other shows (especially for the free breakfast). I really like how you have the set up. Like having stamps for crafters so they go through the entire show.

The students and staff are always so helpful at this show.

The students were helpful, polite and courteous, although this was the coldest day of the year so far, they were not affected. The staff was pleasant and friendly, as well as, cafeteria servers. Great atmosphere! Keep up the good work!
